

You *won't believe*
it's **PLANT-BASED**

**Mind boggling innovation from the
most exciting brands in the world.**

Cutting edge plant-based food

We've been supplying chefs with plant-based food since 1987 and we know a good thing when we see one. To make it in to our larder it's got to be more than just plant-based. It's got to be the best.

Here is just a selection of the most exciting brands and products to have made the cut. Some of which are exclusive to us in the UK. So dive in. There's never been a better time to get plant-based on your menu.

MADE FROM PLANTS, FOR ANY RECIPE.

The holy grail of plant-based food. An all-purpose egg that bakes, scrambles, thickens, binds, spreads, and fluffs just like the real thing.

Amazingly made from plants, Zero Egg has a fantastic taste and works like an ordinary egg in any recipe.

It rivals the real thing when it comes to taste and has a fantastic shelf life.

Using radically less land, water, and energy, it also has a featherlight environmental footprint.
